Thank you for the great flashcards and  
visual materials. Very professional + clear ✓  
Also, I think it's a good idea to  
review the previous lesson at the  
beginning of a new lesson. Well done ✓

[These lessons were perfect for trying to meet people  
and have a simple conversation. The lessons using  
omoshirokatta vs omoshironakatta was exciting.  
I learned so much. Thank you! I can't believe  
this was only ¥3,000! I can use these lessons  
immediately!

I think that Japanese class with no  
English explanations is very important,  
even though more complicated.

I am pleased to have taken part in the class.  
The teachers are very nice & friendly.  
The pace is good for beginners.
